Registration

We look forward to welcoming you to the XXIV Asian and Oceanic Congress of Obstetrics and Gynaecology (AOCOG 2015) to be held in Malaysia from June 3 – 6, 2015, the same year that the Obstetrical and Gynaecological Society of Malaysia (OGSM) will celebrate the Golden Jubilee of its official formation.

The theme of the conference is "Old World Charm Meeting New Technology". All topics in the field of women's health will be discussed with recent advances being highlighted.

Our eminent faculty will include the following

Plenary Speakers

Cerebral Palsy Related To Birth Asphyxia – How To Minimise The Incidence

Prof Sir S. Arulkumaran, President FIGO

A name synonymous with Maternal Health, the FIGO President will grace the Congress and tackle this vexatious issue.

Patient Safety – Everyone's Responsibility

Dr Paul Fogarty, Senior Vice-President, RCOG

Passionate about his portfolio in Global Health, Dr Fogarty will update us on how all of us can play an effective role in achieving patient safety.

Recent Trends In Assisted Reproductive Techniques

Prof PC Wong, Singapore

A pioneer in ART and an engaging speaker, eminently qualified to take us through cutting edge technology.

A Romantic Journey Through Gynaecological Endoscopy

Dr Kurian Joseph, President AOFOG

A pioneer and expert in gynaecological endoscopy, our President will share with us his vast experience in this field.

The Challenge For AOFOG In Sexual And Reproductive Health Beyond The MDGs

Prof Rajat Gyaneshwar, Fiji

A tireless champion of safe motherhood in the AOFOG region, Prof Gyaneshwar will explore the challenges that lie ahead in his SS Ratnam Memorial Lecture.

Fetal Echocardiography – Getting To The "Heart" Of The Matter

Prof Hye-sung Won, South Korea

A much sought after speaker, she will make a difficult but important subject easier to grasp.

Endometriosis – New Thoughts On An Old Disease

Prof Ian Fraser, Australia

A luminary who has waged many a battle with this worthy adversary, Prof Fraser will enlighten us if victory is within our grasp.
